SALARY POLICY

<u>1987-88</u>	<u>1988-89</u>	<u>1989-90</u>
----------------	----------------	----------------

The administrative salary guide will be based on the following ratios. Each assigned ratio shall be calculated on a base of \$32,725 for 1987-88, \$34,950 for 1988-89 and \$37,175 for 1989-90. It is understood that adjustments in individual salaries will be negotiated until such time all members of this unit have reached the appropriate ratio level. Entry level for a new administrator shall be 94% of the ratio for the first year, 96% of the ratio for the second year, 98% of the ratio for the third year and 100% of the ratio for the fourth year and beyond.

A tenured administrator hired from within the district shall be placed at the proper full ratio upon obtaining tenure within his/her new position.

A tenured administrator within the district who is appointed to a position of higher ratio will be placed at 96% of the ratio.

POSITION	FULL RATIO
Principal, High School	1.60
Principal, Elementary	1.50
Asst. Principal, High School	1.40
Asst. Principal, Elementary	1.35
Supervisor of Special Services	1.35
Director of Guidance	1.35
Supervisor of Child Study Team	1.25

ARTICLE IV

INSURANCE PROTECTION

The Board agrees to pay the full cost for family coverage for all administrators for the P.A.C.E. Basic Coverage for Blue Cross, Blue Shield, Rider J and Major Medical.

The Board will pay the full cost of \$1.00 co-pay prescription plan premium for individual employees and their family members.

The Board will provide at no cost to administrators a dental insurance program which shall provide up to a maximum premium of \$325.00 for family coverage per year. Administrators shall contribute any premium cost in excess of \$325.00.

Health Benefits Coverage Upon Retirement

Administrators retiring from service in Monroe Township will have health benefits coverage continued at the employer's expense for life. To be eligible, an administrator must complete a minimum of 25 years service in the Monroe Township School District and must retire from service from this district. Health benefits coverage provided by the employer at time of retirement will include those programs in existence and shall be available to retiring administrator and spouse only. Should the administrator predecease a spouse, the benefits shall continue for the surviving spouse as long as survival status does not change. If a

spouse predeceases an administrator, the benefit will continue for the retired administrator, only, and cannot be expanded for any change in marital status. While the coverage to be provided is "husband-wife," a retiring administrator may request family coverage, if eligible; however, additional costs for such extended coverage will be paid by the retiring administrator.

Retirement - Sick Leave Benefit

Upon retirement from the district, an administrator will be reimbursed for unused sick leave. Payment shall be based on 30% of the per diem rate multiplied by the assigned ratio for the existing administrative position of \$21,500 in 1987-88, \$23,500 in 1988-89 and \$25,500 in 1989-90. The per diem rate shall be calculated on a twelve-month basis or 240 days per year. In order to receive this benefit, during the actual year of retirement, the employee must give the employer a written notice of pending retirement 18 months in advance; otherwise, the employer may pay this benefit in the next fiscal year (after July 1 of the retirement year).

EXAMPLE: Elementary principal retiring in 1987-88 with 50 sick days:

Base	-	\$21,500
Per Diem	-	$\$21,500 \div 240 = \89.58
30% Factor	-	$\$89.58 \times 30\% = \26.87
Ratio Factor	-	$\$26.87 \times 1.5 = \40.31
Payment	-	$\$40.31 \times 50 \text{ days} = \$2,015.50$

If granted, the vacation must be taken or any unused leave would be forfeited. However, if the administrator's presence is required and the Board of Education does not

grant the requested vacation leave within the scope of the policy, and as a result, the employee would, in effect, lose vacation time, the administrator would be paid for that equal time.
